

H.S. (Illinois, USA) Please renew my subscription for 2016. Thank you. All of you are always in my prayers and I praise God for Kateri. She has helped me in many ways. God bless all of you.

T.M.C (Montreal, Qc) My heartfelt thanks to Our Lord in the Blessed Sacrament for the healing of my right knee so I could continue to adore Him on bended knees. My grateful thanks to Our Heavenly Father, Son and Holy Spirit for mercy and love.

PG (Sainte-Catherine, QC) Enclosed 3 new subscribers and my renewal. My confidence in God through the intercession of Kateri does not fade despite my physical tests. Since I do not walk, I put pictures of Kateri in my shoes and tell her: Walk for me! Slowly, I began to walk in early September.

REGINA FILE HILLS GROTTTO

The grotto was built in 1987 to celebrate the Marian Year. The Blessed Kateri Shrine and a native cairn were also constructed and in 1988 a Way of the Cross was added. The cairn is made of split field stones designed in the shape of an eagle, a traditional symbol for the Great Spirit.

The shrine is 12 km. east of Balcarres on Highway #10, and 6 km. north. Annual pilgrimage is Sunday June 28. The day begins at 12:30 p.m. with a traditional feast followed by a Flower Day celebration revisiting and straightening up the cemetery and then Mass.
